CAMIS MOTORS & DRIVES - A ONE STOP SOLUTION

CAMIS Motors & Drives is a leading distributor of industrial electric motors and ancillary controls in both IEC format and special purpose designs.

STANDARD MOTORS

IE1 • IE2 • IE3 • IE4

SPECIAL MOTORS

IP67 • IP68 • IECEx
ZONE1 • AC-DC

CAMIS provides a comprehensive range of industrial electric motors and associated products including fans, gearboxes, alternators and switchgear. These products are complemented by a bespoke manufacturing service which enables the manufacture of products to exact specifications for a wide range of markets.
